Dear Hosts,

I hope you are all having a wonderful summer. We've gotten a lot of positive feedback on our programming, so you should all be proud. Keep spreading the word and let every one you know we are here.

Woolgathering

There is a new sign-up sheet for the Third-Friday Art Walk and WOOLgathering at the studio. Please sign up to take the lead in the pleasure of organizing this event, ensure light refreshments and line up a few hosts to take the mic, play a few tunes, and announce the events on the art walk. Also, to get that giant sign out on the lower lawn! Some hosts line up live music as well, and ANY host is welcome to stop by and commune with other hosts and the public.

One WOOLgathering will fulfill your yearly volunteer hours! If we all take turns, it is not a burden on anyone, and this is what THE Community in Community Radio is all about. It's a great time to meet those milling about for the event.

LP Moratorium

As of right now, we are declaring a moratorium on bringing any more LPs into the station for donation. We are actually going to have to weed out what we've got for space reasons. Which brings us to the request for someone out there in Host Land who might volunteer to be the....

Collection Librarian

We need a volunteer person to be the official librarian, the person to oversee getting all the information on all records, cds, etc., into our computer. This will take a lot of work initially, but will be quite simple once everything we have is catalogued. Any volunteers? This will earn you an immense amount of volunteer hours.
